Safety distance
Please make sure there is enough space for installation
Back: minimum 15cm against the wall or any other blocks
Front: minimum 45cm from any blocks
In order to prevent from signal interference, please keep at least 1m away from the TV, radio and other video and audio devices.

Before using, please tidy up well the cables to avoid twining or damage
When the whole chair makes slide movement forward or backward to original position, please check first whether there are kids, pets or any other objects to avoid accidents.
Please put carpet or other pad under the massage chair, in order to avoid any unpredictable impression on the floor

SURROUNDING ENVIRONMENT

Keep the massage chair away from damp places (for example: bathroom) to avoid electric leakage

Keep the massage chair away from high temperatures sources (for example: stove) to avoid fire or damage to leather material
PREPARATION BEFORE USING

GROUNDING INSTRUCTIONS

This product must be grounded. If it should malfunction or breakdown, grounding provides a path of least resistance for electric current to reduce the risk of electric shock. This product is equipped with a cord having an equipment-grounding conductor and a grounding plug. The plug must be plugged into an appropriate outlet that is properly installed and grounded in accordance with all local codes and ordinances.

DANGER - Improper connection of the equipment-grounding conductor can result in a risk of electric shock. Check with a qualified electrician or serviceman if you are in doubt as to whether the product is properly grounded. Do not modify the plug provided with the product - if it will not fit the outlet; have a proper outlet installed by a qualified electrician.

PRODUCE STORAGE AND MAINTENANCE

AFTER USING THE CHAIR

- Please power off the chair and unplug power cable from power supply socket after using,
- Disconnect the controller and store carefully
- Please power off the chair and unplug the chair from the power supply socket when the chair is not in use, to avoid children to start the chair accidentally
- Please store well the chair if it is not in use for a long time.

METHODS OF STORAGE

- Do not dismount the back of the chair
- Keep the massage chair free of dust
- Cover the chair with dust-free cloth to prevent dust from collecting
- Do no store in a hot, humid, damp place or in direct sunlight or heat
- Do not store in an overly cold place

MAINTENANCE

- Before cleaning unplug from electrical source to avoid shock
- Clean the cloth surface with neutral detergent or special mild detergent for cloth
- Dust can be cleaned off with a damp cloth of mild detergent and air dry
- Do not spray pesticide on device
- Specified cleaner can be used on the leather, plastic, and dried with a cloth
- DO NOT use a damp cloth on the electronic components which can cause short and damage
- The leather covers (headrest, seat cushion, foot cushion) can be removed for cleaning
